

# READY FOR AN UPGRADE?

**Is it time you upgraded your old AMETEK Land instrument?  
Do you want to have the latest model and technology?**

You can part-exchange your current AMETEK Land instrument and take advantage of a cost-effective upgrade at a significantly discounted price, all the latest instrument features and benefits plus a quick lead time for replacement.

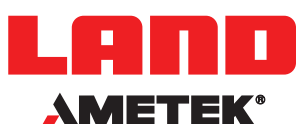

## AMECare Part-Exchange Program

- 
- ✓ New for old solution where your instrument is upgraded to the latest model.
  - ✓ Discounted price for replacement in exchange for the old unit – if you have an AMETEK Land service contract you receive even greater savings.
  - ✓ 12-month warranty and the option to sign up to one of our many service contract offerings, ensuring your new instrument is professionally maintained and calibrated to operate at peak factory performance levels throughout its lifetime.
  - ✓ Optional traceable certification under the ISO / IEC 17025:2005 standard on the new instrument.

## Example Part-Exchange Options:

- ✓ System 4 to latest SPOT Fixed Pyrometers
- ✓ Cyclops B to latest Cyclops L Portable Pyrometers
- ✓ Lancom 3 to latest Lancom 4 Portable Gas Analysers
- ✓ 4500 MkII+ to 4500 MkIII Opacity and Dust Monitors
- ✓ ... or add the latest technology to your existing installations
