

AMETEK LAND Product Notification:

20 October 2023

Product Discontinuation – Opacity accessories

AMETEK Land formally announces that the flange alignment tools, economy blowers and filtered air mover with flow switch will be discontinued on 31 December 2023. All outstanding orders will be fulfilled and orders will be accepted until 30 November 2023.

Whilst stopped from new product sales, these parts are still fully supported by our qualified field and factory service teams and our internal technical support engineers.

Please see the below reference table for a list of parts affected by the notification.
